HOW DO I REGISTER ONLINE?

PART A: LOGIN TO UA ONLINE: [WWW.UAONLINE.ALASKA.EDU](http://www.uaonline.alaska.edu)

If you receive an error message when accessing the site directly from the web address, simply go to www.uaa.alaska.edu and choose UAOnline from quicklinks menu found on the right-hand side of the page.

If you are new to Alaska or have never taken classes from the University of Alaska (UAA, UAF or UAS), please contact Jamie Silas (786-1934 or jsilas@uaa.alaska.edu) and an alternate set of instructions will be sent to you.

1. Click on “**LOGIN TO SECURED AREA.**” Enter your UA ID# and PIN:

UA ID Information: Your UA ID is your 8-digit UA Student ID# (beginning with a 3). If you do not know your UA ID#, click on the “**look up your ID here**” link and you will be routed to me.uaa.alaska.edu. Choose the appropriate selection and follow the prompts to access your ID#. See below for PIN information. If you are unable to retrieve your ID through the ELMO system, please contact the PACE office for assistance.

PIN Information: New users (never logged into UAOnline previously) see “A.” below for PIN information. Returning users (you have logged onto UAOnline previously to check your transcript, register for classes, etc.), see “B.” below.

- A. When accessing UAOnline (Wolflink) for the first time, your PIN will initially be set to your birth date (e.g. MMDDYY). For security purposes, your PIN will immediately expire and you will be prompted to change your PIN to a different six character string (numbers, letters, and some symbols). **Be sure to create a new PIN that you will REMEMBER!** Following the creation of your new PIN, you will be asked to enter a security question and the answer to that question. We STRONGLY recommend that you complete this step and **choose a question that remains constant**, such as “What is my mother’s maiden name?” or “City of Birth?”
- B. Returning UAOnline users are required to use the password chosen/set up previously. If you have forgotten your PIN enter your USER ID and click on the “Forgot PIN” button. You will be asked the security question you entered during initial setup. If the system receives the correct answer, you will be prompted to choose a new PIN.

If you initially skipped setting up your security question or can’t remember the answer to your question, you must call Enrollment Services at (907) 786-1480 (select option 2) or Information Technology Services at (907) 786-4646 (select option 1 and then option 1 again) to have your PIN reset. You may also stop by the University Center with picture ID to have your PIN reset for you.

* If you have ever been compensated by UAA, you must call Kathy or Sandy in Human Resources at (907) 786-4608

** If you enter and incorrect PIN more than five (5) times, you will need to call either Enrollment Services or Human Resources to have your PIN reset.

***Please note that if your PIN is reset more than twice in a six month period, you will be required to come to the University Center kiosk with picture ID to have your PIN reset a third time.
