Register via UAOnline by the deadline. See pages 2-5 of this packet for step-by-step instructions. If you receive an error during registration or need additional assistance, please contact the PACE office or UAA Registration Services.

If you miss online registration, you can still be registered by submitting a UAA Add/Drop form. Add/Drop forms must be received and processed by UAA Registration no later than 3/14/2024.

To avoid potential registration delays, be sure your student status is up-to-date and active before submitting an add/drop form.

Course Registration Deadline

**3/14/2024**

• You must drop with UAA by the drop deadline to be eligible for a 100% refund of course fees.

Drops may be completed online via UAOnline or by submitting the student-initiated drop/withdrawal form by the deadline: https://www.uaa.alaska.edu/students/registration/student-drop-login.cshml

• If you paid for your course by credit card, your refund will be processed back to your card. Payments made by cash or check will be refunded by check to the mailing address on file. If you did not pay for your course, the fee will be reversed on your student account.

• If you miss the deadline, your instructor that you can no longer participate or that you are unable to complete the course is NOT sufficient for official drop. If you are not officially dropped from this course through UAA by the listed deadlines, you may receive a failing (F) or no pass (NP) grade for this course.

• Failure to make payment may result in late fee(s) being added to your account and/or a hold being placed on your student record. Holds due to unfulfilled financial obligations prevent any future registration and transcript activity. UAA does not initiate drop for non-payment. For more information on refunds, holds, and payments, visit: https://catalog.uaa.alaska.edu/academicpoliciesprocesses/tuitionfees/financialobligations/

Grades for this course may not be available for transcripts until **3/25/2024**.
• This course will appear on your transcript for **Spring 2024** as ED A566, ST: ASTE Conf 2024

Failure to make payment may result in late fee(s) being added to your account and/or a hold being placed on your student record. Holds due to unfulfilled financial obligations prevent any future registration and transcript activity. UAA does not initiate drop for non-payment. For more information on refunds, holds, and payments, visit: https://catalog.uaa.alaska.edu/academicpoliciesprocesses/tuitionfees/financialobligations/
